BOLD WOMEN'S CHALLENGE

"Scholarship assistance gives me the funding to pursue my dreams. As a first generation college student, having financial support not only allows me to stay in school, it also shows me that there are people willing to invest in my success."

Julia '13, Liberal Arts Major, Ludlow, MA

In honor of our 115th anniversary, we set out to find one hundred and fifteen Bold Women. Women of example. Women of courage. Women of heart. As of October 23, 2012, the following 122 Bold donors (women, and a few bold men!) have demonstrated how BOLD they are in their passion for Bay Path and our students. BOLD donors have made gifts totaling $120,000 and established bequests totaling $165,000! They are helping Bay Path to keep the doors open for deserving women to enter, and to boldly go into the future, honoring the spirit of all who went before. Gifts to the Bold Women's Scholarship immediately and directly impact deserving students.
